Teams will be responsible for fees of their coaches completing training and background checks. Please make sure your coaches pictures are loaded into the coach tab of your respective team's club management.

Once a coach has 1st completed abuse training, your respective region director's will assign a background check for that coach. If background check is approved, a coach card will be printed. If background check needs attention, a follow up email will be sent to notify the coach that they will need to make contact with region directors to clarify the items needing attention.

Cost- Abuse awareness training- \$5 (each year)

Background Check- \$15 (good for 2 yrs.)
